Internship Offer Letter

Dear **Dhruv**,

Congratulations.

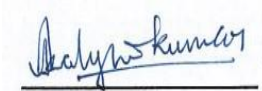

We are pleased to offer you an Internship at Digitamize Innovations Private Limited (Supervity) for a period of 2 months. The start date for your internship is **1-Oct-2025**. You are bound by the Internship terms and conditions during the tenure of Internship.

You will be paid a monthly stipend of **₹7,000** (Seven thousand). You are expected to attend 9 hours per working day. You might also be asked to work on a few other assignments, as per the needs of the organisation.

Please acknowledge acceptance of the Internship by signing on this Letter.

Wishing you a great learning experience.

For Digitamize Innovations Private Limited.,

(Authorised Signatory)

Kalyan Kumar Narayanan

Vice President - Operations

Annexure-A

1. You will be working Monday to Friday except on company declared holidays. The office timings are 9.30 AM to 6.30 PM. You are expected to clock 9 hours per day.
2. Your Place of Internship will be Mumbai.
3. You will perform tasks assigned to you by your Reporting Manager.
4. Safe Custody of Company Material: You will be responsible for the safekeeping and good condition and order of all the company property entrusted to your care and charge. The company reserves the right to deduct the cost of such articles from your dues, or take such actions as may be deemed proper, in the event of failure to account for such property, to our satisfaction.
5. Confidentiality of Company Information: You are expected not to divulge any information regarding confidential data; business ideas and concepts, financial data, projections, product enhancement information, product process flow charts, product information, product details & specifications, business plans and strategies, marketing plans, sales strategies, customer information (including customers' applications and environments), development plans, all types of data related to its existing projects and the projects being pursued by it, organization structure, configurations, designs, plans, drawings, apparatus, sketches, diagrams, specifications, datasheets, evaluations, discussions, software, hardware, data, prototypes or other technical, financial and business information, project reports, process, technology, expertise, R&D activities, business projections, commercials, orders, proposals, approvals or any business plans to anyone in whatever the form of communication.
6. Passwords: Access to our network, workstations and mail servers is through the individual's password. For security reasons, it is essential to maintain the confidentiality of the passwords/access codes, which you know during the course of work.
7. Use of Company Resources: You shall use the company's resources only for official purposes and with utmost care.

Declaration

I have read the above terms and conditions of **Internship** and would hereby confirm strict adherence to the same.

Name: Dhruv Shah
